### **How it Works**

- The 0% Interest Home Repair Loan Program works like a mortgage loan process. An application must be completed, giving personal financial information, like income, current debt, etc.
- Your credit history will be reviewed (a credit score at or above 560 is required) and underwriting ratios calculated (45% debt-to-income ratio, 35% housing ratio & up to 150% loan-to-value).

- Application is forwarded to a lender (One Detroit Credit Union or Opportunity Resource Fund), who will review and determine your qualification for the loan.
- If pre-approved for a 0% loan, the Construction Manager will perform two inspections of your property; (1) a Lead Inspection Risk Assessment; and (2) an inspection to determine home improvement needs/requirements.
- If pre-approved, you can select up to 6 contractors from the City's approved contractor pool to bid on the work. If you want to use your own contractors, they must be pre-approved by the City of Detroit Housing & Revitalization Department.
- The Construction Manager will review bids and select contractor with your input.
- Repair work will begin. The lender will pay the contractor directly on your behalf. You will not receive a check.
- You will be responsible for monthly payments based on what you have borrowed. Payments begin 75 days after your loan closing.
- A lien will be placed on your property if you are approved for a 0% loan.

### What are the Homeowner Requirements and Responsibilities?

- The application process requires your personal information:
  - o Applicant and, if applicable, Co-Applicant Income
  - o Income & Debt information
  - Proof of Homeownership/Occupancy
  - o Proof of Current Property Taxes/Homeowners Insurance

### What Repairs Qualify?

Because public funding is subsidizing this loan program, eligible repairs include but are not limited to:

- Correcting health and safety hazards including: lead, asbestos and mold
- Electrical & plumbing repairs
- Furnace/HVAC replacement
- Roof replacement
- Door and window replacements

### What will it cost me? The table below shows 0% monthly payments compared to 5%
